

School is back and that means so are the Skybacher Sports Tournaments. We are so excited about the upcoming schedule and we can't wait to kick things off!! We'll be doing exactly that on September 27th with the first ever Corn Hole Kickoff Tournament. If you've never played Corn Hole before it could not be easier you toss a bag full of corn into a hole! Sound like fun?? Well it is, and we are so excited about this tournament. The tournament will be open to anyone in 5th grade and above, including college students and adults. It's the perfect opportunity to bring someone out and show them what Skybacher Ministries is all about!

We won't be stopping there as we will be bringing back many of the fan favorites! How about 3 dodgeball tournaments, volleyball, broomball, flag football, kick ball and Wii bowling?

In March we are planning on having an all new event called the Caribbean Sports Jam. There will be 3 sports to participate in on that night. Basketball, Whip-It (A Skybacher Original), and Indoor Football. You can get teams of 5-7 people and play in all three tournaments.

$275 + 225 = 500$

We're working on our math here at Skybacher Ministries and above is the math equation we are looking to fulfill. Back in December of 2008 we started the 5 Loaves Campaign in which we were asking 500 people to donate \$5 for 5 months (\$25 total). We currently have received the equivalent of donations from 275 people. We still another 225 people to meet our goal. We would love to meet this by December of this year! These funds have helped pay for the summer sports camps, the tournaments throughout the year, and other supplies.

6 weeks, 3 different sports, laughter, lessons, snacks, crazy characters, 4 college interns, 28 virtues, over 200 kids, over 35 volunteers, bumps, bruises, slip-n-slides, donuts, God's blessing, beautiful weather, and one awesome summer!!! That pretty much sums up this year's Skybacher Sports Camps. We started in June with basketball and closed things out in August with soccer. It was truly an amazing summer.

Five years ago when Skybacher Ministries was in the beginning stages of starting there was one church that said "Go for it!" we will support you! That church was Unionville United Methodist on Rt. 68. We still make home in the bottom of this church and hold most of our events there, but there would be no Skybacher Ministries without Unionville Church and the support that they have shown. It is a truly great church and if you are searching for a place to call home you might try it out today!! Skybacher Ministries wants to send out a huge thanks to the people of Unionville Church for their faithful service in partnering to build God's kingdom!! May God continue to bless you!!

When is the last time you used your imagination? As kids head back to school they are asked to use their imagination and creativity to design what they want to be when they grow up, to come up with senior projects, to write papers that require them to use their IMAGINATION! So I ask again when is the last time you used YOUR imagination? Dreamed, created, designed? Imagine yourself healed, imagine your relationships restored, imagine provision for your family, imagine doing what you've always dreamed of doing.

We serve a God who is able to do immeasurably more than all we could ask or IMAGINE!! Whatever your worried about, scared of, hurting from. God is BIGGER!! Imagine if you gave it all to Him!!!
